## **DETAILED ACTION**

### **Notice to Applicant**

1. This communication is in response to the Amendment filed on 01/06/10. Claims 1-23 and 40 have been cancelled. Claims 24-28, 35-36, 41 and 44-45 have been amended. Claims 24-39 and 41-45 are pending.

### ***Claim Rejections - 35 USC § 112***

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claim 24 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

4. The claim contains the term “and/or” on their steps. The term “or” renders the claims indefinite, since it is not possible to determine the scope of the claim as requiring both items or only one of the items separated by the “and/or”. For examination purposes, the Examiner will give the term its broadest reasonable interpretation and consider that the particular condition is satisfied if one of the limitations is met.

Furthermore, claim 24 contains the limitation of “”. This limitation is confusing. Appropriate correction is required in the next correspondence.....

***Claim Objections***

5. Claims 41-44 are objected to because of the following informalities: Claim 41 depends to claim 1 which has already been cancelled. Therefore Applicant is required to change the dependencies for claims 41-44 in the next correspondence. Appropriate correction is required.

***Allowable Subject Matter***

6. Claim 24 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Art Unit: 3687

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
